To be effective, each TOS and/or SOW may reference this Master Services Agreement and, when executed by both Parties, shall automatically be deemed a part of, and governed by the terms of this Agreement. Each TOS and/or SOW is enforceable according to the terms and conditions contained therein, and in the event of a direct conflict between the language of this Agreement and any TOS and/or SOW, the language of the TOS or SOW shall control, but only with respect to that particular TOS or SOW and the specific item in question. Recurring Agreement invoices are billed out monthly with the payment terms specified on the invoice. Any payments received after the due date listed on applicable invoice(s) will be considered past due. Past due balances shall be subject to late charges/interest on the unpaid invoice amount(s) until and including the date payment is received, at the rate of \$5.00 or 1.5% of the past due balance, whichever is greater. Client shall be liable for all reasonable fees and costs incurred in collection of past due balances including but not limited to collections fees, filing fees, attorney's fees, and court costs. 3.1. **Auto-Renewal.** Once the original term of any Agreement (as specified in the "Agreement Overview" section) has concluded, the Agreement will auto-renew and convert to month-to-month terms, at then standard market pricing, for the associated product line. It will continue to do so in perpetuity unless either party makes known their desire to renew/extend with a new Agreement, or to terminate the Agreement as indicated in "Without Cause" section 3.2.

3.2. **Without Cause.** After the initial contract term has concluded, either party may terminate the Agreement for any reason by providing the other party with thirty (30) days prior written notice. Both parties shall mutually agree upon the effective date of the termination. If either party terminates this Agreement, Provider will assist Client in the orderly termination of services, including timely transfer of the services to another designated provider. Client agrees to pay Service Provider the actual costs of rendering such assistance as well as any outstanding or prior unpaid balances that Client owes Provider at that time.

3.3. **Default.** In the event that one party (a "Defaulting Party") commits a material breach of a Service Agreement or a Statement of Work, the non-Defaulting Party shall have the right, but not the obligation, to immediately terminate the applicable Agreement or the relevant Statement of Work provided that (i) the non-Defaulting Party has notified the Defaulting Party of the specific details of the breach in writing, and (ii) the Defaulting Party has not cured the default within ten (10) business days following receipt of written notice from the non-Defaulting Party.

3.4. **Contract Review.** Provider reserves the right to periodically review any Services Agreement(s) and if deemed ineffective, Provider may terminate the Agreement at the Provider's sole discretion. In the event of such a termination, the Provider may or may not propose to Client, a new Agreement with different quantities, pricing, and/or terms in an effort to make the agreement fair and equitable based on then market rates/pricing for same or similar services.

3.5. **Transition.** In the event an Agreement is terminated for any reason whatsoever, any Client data held by Provider shall be returned to the Client in a commercially reasonable manner and time frame, not to exceed fifteen (15) calendar days following the date of request of the return of such data by Client. In the event that Client requests Provider's assistance to transition to a new service provider, Fruth Group shall do so, provided that (i) all fees due and owing to Provider under this Agreement are paid to Provider in full prior to Provider performing such a transition for Client, and (ii) Client agrees to pay Provider its then-current hourly standard market rate for such assistance. Provider shall have no obligation to store or maintain any Client data in Provider's possession or control beyond fifteen (15) calendar days following the termination of the Agreement in question. Provider shall be held harmless for and indemnified by Client against any and all claims, costs, fees, or expenses incurred by either party that arise from, or are related to, Provider's deletion of Client data beyond the time frames described in this Section.

3.6. **Impact.** Termination of a Statement of Work shall not act as a termination of any other Statement of Work or as a termination of any other Agreement or Terms of Service.

3.7. **Revisions.** From time to time, we may revise the terms and conditions of any Terms of Service (including, without limitation, any of the policies incorporated by reference). Notice of revisions to the Terms of Service or pricing shall be posted to the legal section of the Fruth Group Website ("the Website") and deemed given and effective on the date posted to the Website. 23.1. Fruth Group shall be excused from any delay or failure in performance hereunder caused by reason of occurrence or contingency beyond its reasonable control, including without limitation, acts of God, earthquake, fire, flooding, riots, war, government intervention, embargoes, strikes, labor difficulties, equipment failure, late delivery by suppliers or other difficulties as may occur in spite of Fruth Group's best efforts.

refers to this Agreement, is in writing, and is signed by one of the Designated Contacts or Authorized Signors of each party.

24.2. Time Limitations. The Parties mutually agree that any action for breach of or upon a matter arising out of this Agreement or any Terms of Service or Statement of Work must be commenced within one (1) year after the cause of action accrues or the action is forever barred.

24.3. Severability. If any provision hereof or any Statement of Work is declared invalid by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such invalidity, illegibility or unenforceability so that the remainder of that provision and all remaining provisions of this Agreement or any Statement of Work shall be valid and enforceable to the fullest extent permitted by applicable law.

24.4. Other Terms. Provider shall not be bound by any terms or conditions printed upon or written on any purchase order, invoice, memorandum, or other written communication between the Parties unless such terms or conditions are incorporated into a duly executed Statement of Work. In the event any provision contained in this Agreement is held to be unenforceable in any respect, such unenforceability shall not affect any other provision of this Agreement, and the Agreement shall be construed as if such an unenforceable provision or provisions had never been included in this Agreement.

24.5. No Waiver. The failure of either party to enforce or insist upon compliance with any of the terms and conditions of this Agreement, the temporary or recurring waiver of any term or condition of this Agreement, or the granting of an extension of the time for performance, shall not constitute an Agreement to waive such terms with respect to any other occurrences.

24.6. Merger. This Agreement, together with any TOS or SOW(s), sets forth the entire understanding of the Parties and supersedes any and all prior agreements, arrangements or understandings related to the Services, and no representation, promise, inducement or statement of intention has been made by either party which is not embodied herein. Any document that is not expressly and specifically incorporated into this Agreement, our Terms of Service or Statement of Work shall act only to provide illustrations or descriptions of Services that may be provided, and shall not act to modify this Agreement or provide binding contractual language between the Parties. Provider shall not be bound by any agents' or employees' representations, promises or inducements not explicitly set forth herein.

24.7. Non-Solicitation. Client acknowledges and agrees that during the term of any applicable Agreement(s) and for a period of one (1) year following the termination such Agreement(s), Client will not, individually or in conjunction with others, directly or indirectly solicit, induce or influence any of Provider's employees or subcontractors to discontinue or reduce the scope of their employment and/or business relationship with Provider, or recruit, solicit or otherwise influence any employee or agent of Provider to discontinue such employment or agency relationship with Provider. In the event that Client violates the terms of the restrictive covenants in this Section, the Parties acknowledge and agree that the damages to Provider would be difficult or impracticable to determine, and agree that in such event, as Provider's sole and exclusive remedy therefore, Client shall pay Provider as liquidated damages and not as a penalty, an amount equal to fifty percent (50%) of that employee or subcontractor's then current annual salary/compensation with Provider (including any signing, relocation, or any other types of bonuses, commissions, stipends, etc).

24.8. Insurance. Provider and Client shall each maintain, at their own expense, all insurance reasonably required in connection with this Agreement or any applicable Statement of Work, including but not limited to, workers compensation and general liability. Provider agrees to maintain a general liability policy with a limit not less than one million USD (\$1,000,000).
